

## Mizoram

1. As on 30.09.2016, the total installed capacity (including allocated share in joint and central sector utilities) of Mizoram was 121.77 MW. In the total installed capacity of the Mizoram the share of State Sector was 36.47 MW & Private Sector was 0.10 MW whereas Central Sector was 85.20 MW.
2. The peak demand deficit of Mizoram was 1 MW (1%) and energy deficit was 16 MU (3.4%) during April, 2015 to March, 2016. However, the peak demand deficit was lower and energy deficit was higher than national average (2.1%) and (3.2%) respectively during the same period.
3. The average AT&C losses of Mizoram was 26.14% during 2014-15. However, Mizoram has projected to reduce the AT&C losses at 18.62 % level by 2021-22. Mizoram has not signed yet Memorandum of Understanding (MOU) under the Scheme UDAY – “Ujwal DISCOM Assurance Yojana”. The Scheme – UDAY has been launched to improve financial and operational efficiencies of power distribution companies (DISCOMs). Therefore, State Government should join UDAY at earliest.
4. Mizoram has been prepared specific Action Plan for 24X7 Power supply.
5. As per 2011 census, there were 704 villages in Mizoram. Out of 704 villages, 683 (97%) villages were electrified and 21 (3%) villages were balance for electrification till date. All 21 un-electrified villages would be electrified through grid connectivity (all villages has been awarded).
6. Mizoram had 1.04 lakhs rural households. Out of 1.04 lakhs rural household, 0.15 (85.5%) lakhs households has been electrified till date. The State Government needs to accelerate the household’s electrification as only 85.5% households are electrified till date.
7. 9 towns are covered under Part-A of R-APDRP and 30 % funds have been released whereas 9 towns are covered under Part-B of R-APDRP and 30% funds

has been released as on. The work progress is slow. The State Government should accelerate the work progress of R-APDRP for financial health of power sector. This scheme has been subsumed in Integrated Power Development Scheme (IPDS) in November 2014. The State Government should utilize the funds available under IPDS for improvement of Power sector.

8. Meanwhile, 6 towns are covered under Integrated Power Development Scheme (IPDS) in Mizoram However, Government of India has approved Rs. 49.16 crore for 6 towns. whereas Rs. 41.79 crore is approved as grant for these towns whereas no grant released till now.
